<p>Gameplay</p>
<p>In FNAF 4, you play from a first-person perspective and must use variou
s tools to protect yourself from the animatronics. 👍 Your primary tool
is a flashlight, which you can use to keep track of the animatronics' moveme
nts. You can also 👍 close doors and windows to keep them out, but these
 actions consume your limited supply of power. The animatronics move 👍
around your bedroom and can attack you from any angle, so you must use your sens
es and quick reflexes to 👍 survive.</p>
