<p></p><p>Five Nights at Freddy's 2 (FNAF 2) is a horror-themed browser game and the sequel to the popular game Five Nights at Freddy's. The game takes place in a pizzeria that is home to a new set of animatronics, including Freddy Fazbear, Bonnie the Bunny, Chica the Chicken, and Foxy the Pirate Fox. Players take on the role of a new security guard working at the pizzeria, tasked with monitoring the animatronics through a series of security cameras while trying to avoid getting killed by them.</p>
<p></p>
<p>The gameplay mechanics of FNAF 2 are similar to the original game, but with some notable additions. The security guard has a limited supply of power to keep the lights on and doors closed, and must use it strategically to survive the night. Additionally, players must now use a flashlight to ward off certain animatronics, and can wear a Freddy Fazbear head to avoid detection by others.</p>
<p>
<p></p>
<p>As the nights progress, the animatronics become more aggressive and difficult to manage, with new challenges and obstacles added in each level. Players must rely on their wits and quick reflexes to survive each night and progress through the game's story. The game also features multiple endings, adding to its replay value and creating a sense of mystery and intrigue.</p>
<p></p>
<p>Five Nights at Freddy's 2 offers a thrilling and suspenseful gamepl
