<p></p><p>About This Game</p>
<p></p>
<p>PICO PARK is a cooperative local/online multiplayer action puzzle game fo
r 2-8 players.</p>
<p></p>
<p>The rule is quite simple: "Get🛡 all the keys and get to th
e goal and clear";, but all 48 levels have special gimmicks designed specifi
cally for🛡 multiplayer. At most levels, different gimmicks will appear a
s you move forward, and you will need to consult with your🛡 peers and th
ink about new ways to cooperate.This version is essentially a port of the one we
released on the🛡 Nintendo Switch in 2024.However, it's not just a p
ort, it now supports online play.The 2024 version of this link has🛡 been
renamed "PICO PARK:Classic Edition".[Flexible Level]Each level of PICO
PARK can be cleared when players get the key,unlock the door🛡 and all p
layers reach it.But, every level requires cooperation to complete..[Battle Mode]
Co-op play is the main work of this game,🛡 but let's compete with fr
iends in BATTLE MODE once co-op play is completed.[Endless Mode]Even if you comp
lete all 48 stages,🛡 you can play ENDLESS mode to aim at high score by c
ollaborating with friends. By collaborating with friends, your score🛡 wi
ll grow faster.[Online Play Mode]You can play together online with people who ar
e far away from you.However, this is a🛡 game where communication is very
important, so we recommend using Discord or Zoom to play while talking.[TecoGam
ePad]TecoGamePad change your smartphone🛡 turn to gamepad (for local play) Tj T
