

# palpite da copa 2022

With 100 points earned during the season, and just over 100 goals scored in 46 matches, it was one of the most successful campaigns ever by a club in a Brazilian championship.

In 1984 Cruzeiro had the first ever company logo on its shirt; it was the shirt manufacturer's logo, which was Topper.

[26] In 2006 to honor its successful 2003 season, a crown was added on top of the crest, to symbolize the triple crown.[26]

Part way through 2003 a new shirt that contained the actual crest was introduced, but instead of just using the regular crest the shirt featured two Copa Libertadores trophies on top of the crest.

The player with the most appearances for Cruzeiro is F&#225;bio with a stunning record of 800 appearances, having been with the team since 2005, beating former midfielder Z&#233; Carlos, with 619 appearances, between 1965 and 1977.
