Grand Theft Auto 5 Role Play or RP is a completely free-to-play multiplayer mode that can be added to the base game via mod clients like FiveM and RageMP. These mod clients host multiple RP servers that anyone can join. Once allowed in, a newcomer is required to create a custom character and its unique backstory.

Referred to as a gaming legend, the PC version of Call of Duty has conquered tens of millions of people, and now it has been developed with a mobile version by Activision and Tencent. However, with such a big game, many people are still used to playing games on computers and controlling with mouse and keyboard.
