Popular in continental Europe and the UK, speedway is

one of the most exhilarating motorsports you can watch and bet on;

The motorcycle sport involves adrenaline junkies negotiating flat oval

dirt tracks in an anti-clockwise direction on single-gear bikes, which can go fr

om nought to 60 mph in just 2.3 seconds. Riders take advantage of the dirt surfa

ce by sliding their bikes sideways into the bends using a method known as broads

iding, helping them to maintain momentum and power down the straight sections of

the track;

Speedway Races;

Speedway races (also known as heats) are four laps long, with two teams

of two riders competing for pole position. Some races feature six riders, but t

his is rare as most modern speedway tracks are too narrow to accommodate the add

itional riders safely;

Home team riders wear red and blue helmets, while visiting riders wear

white and yellow/black helmets. The starting area is split into a grid of four e

qual sections, with riders from each team taking their place in alternate grids.
