Before you begin your journey, you must choose between two game modes: a standard game or the Tower of Terror. In the standard game, your character, Vex, progresses through increasingly complex levels. Your task is to help Vex complete all the tasks and navigate the obstacle course to the finish line to advance to the next round. In the Tower of Horrors, Vex must climb higher and higher while avoiding deadly enemies and traps. The ultimate goal of Vex 7 is to move around the map with Vex, helping him with various jumps.

**Happy Wheels** : A physics-based platformer that challenges you to reach the finish line while overcoming gruesome obstacles.  
**Geometry Dash** : A rhythm-based platformer that requires you to jump and fly your way through perilous passages and spiky obstacles.

What are the advantages of playing Vex 7? Playing Vex 7 not only provides an exciting gaming experience, but also helps improve your reaction time and decision-making skills. The increasing complexity of the game and the need to navigate through various obstacles will keep you engaged and challenged. In addition, the choice of two game modes adds variety and keeps Vex 7 fresh and exciting every time you play. Whether you're a fan of parkour or just looking for a fun, casual game, Vex 7 is sure to keep you entertained.
