<p>Nun takes care of tombs near the church</p>

<p>Samtavro Monastery (Georgian: სამთავროს მონასტერი) is a 12th-century Georgian Orthodox Christian monastery complex that combines Samtavro Transfiguration Church and

Nunnery of St. Nino in Mtskheta, Georgia. Built presumably in the 4th century by

the King Mirian III, and reconstructed in the 11th century by the King George

I and Catholicos-Patriarch Melchizedek I, Samtavro is an important Early and High

Medieval historical and architectural monument, and was inscribed on the UNESCO

World Heritage List in 1994 along other historical monuments in Mtskheta.[1] S

amtavro church is cross-in-square temple, with arches and other decorations typical

for the 11th century Georgian architecture. The graves of Mirian III and the

famous Georgian Saint monk Gabriel are located in the yard of Samtavro Church.[

1]</p>

<p>History [edit]</p>

<p>The monastery was constructed in the northwestern part of the old town

of Mtskheta. Unfortunately, no inscriptions remain to tell about its construction

time. According to the Georgian hagiographic sources the monastery was established

in the 4th century, during the reign of the King Mirian III of Iberia, when

a small church was built here by Saint Nino in connection with conversion of Georgia

in Christianity. Mirian and his wife Nino were buried in the monastery.</p>
