Mama jumps off the cliff with just Lilly, and upon hitting the branch, Mama and Lilly turn into a shower of butterflies. The movie ends with Victoria realizing that one of the butterflies watching over her is in fact Lilly, perhaps referencing a ghostly regret of Victoria not going with her.

Mama (2013) - Plot - IMDb

The fire crystal is what brings the house and the mother back to life, meaning that God has some control and level of ownership over nature, but he cannot fully control it even though he wishes he could. God has to belittle her power because, without her, his creations cannot live.
