In sports betting, **over 0.5 goals** refers to a betting market where the objective is to predict that the total number of goals scored in a match will be at least one. This means that if you place an over 0.5 goals bet, you will win as long as at least one goal is scored by either team during the match.

**Under 0.5 Goals Meaning** Under 0.5 goals is an alternative match goals betting market. Placing a bet on under 0.5 goals will win if the match finishes 0-0. If the match ends with any goals scored, the bet will lose. If one or more goals are scored, the bet loses. If zero goals are scored, the bet wins.
