<p>I thought the game and awesome! The screen effects really made the story come to life. And it wasn't 👌 boring where you just want to skip it through and move on, you really want to read it and see 👌 what was happening! But there was only one problem, which caused me to delete the app. When you first open 👌 the app, they ask for your age, one of the options is 18 and under. So I click that and 👌 I start my first story. I really liked it! The story was well played out and I laughed a little 👌 too. But the only problem was that the F word was put in there at least once in each story. 👌 I think that is extremely disappointing that they would do that. If you click 18 and under, I expect the 👌 creators of the app to eliminate all the F words and maybe more swears, I say this because 18 and 👌 under does include 10 year old, and younger as well. I do not think it is appropriate to add those 👌 types of swears into the younger category. It's a bad influence on children and really dangerous when you expose them 👌 to that kind of language. So I think that they need to fix that immediately. It ruined the app experience 👌 for me. If they update it, and eliminate the F word from 18 and under category, I will gladly play 👌 it again.</p>
<p>Sincerely,</p>
<p>A disappointed player.</p>
