"2up" is a betting promotion that certain bookmakers offer on selected soccer matches. When you place a bet on the correct score of a soccer match, and your team goes 2 goals up at any point during the game, your bet will be paid out as a winner, regardless of the final result.

This means that if you place a bet on a team to win 2-1, and they go 2-0 up, you will be paid out as a winner, even if they end up drawing or losing the match.

Not all bookmakers offer "2up", but some of the most reputable ones do, including bet365, Betway, and Unibet. These bookmakers are well-known for their generous odds, wide range of betting markets, and excellent customer service, making them a popular choice for both casual and serious bettors.

It's important to note that "2up" is typically only offered on selected soccer matches, and the promotion may not be available for all matches or all markets. Additionally, bookmakers may have different rules and restrictions for "2up" bets, so it's always a good idea to read the terms and conditions carefully before placing a bet.

In summary, if you're looking to take advantage of the "2up" promotion, be sure to check out bookmakers like bet365, Betway, and Unibet. These bookmakers offer a range of betting markets, competitive odds, and excellent customer service, making them a great choice for both new and experienced bettors.
