Modern Warfare 2 Players Are Seemingly Being Banned

For Using RGB Software. If you have been inexplicably

banned during launch weekend, this might be why. Modern Warfare 2 launched last

week, restarting the annual Call of Duty cycle. That cycle came to an end pretty

quickly for some people.

divspan. Modern Warfare II is set in the brutal world of international terrorism

and this is reflected in violent and often gory visuals. As well as the standard

sprays of blood in gunfire, both the campaign and multiplayer also have close

quarters combat which doesn't water down the horrors of war.
