

# O O bet365

Shape Fold Animals is a puzzle game where every piece is connected and physically interact with each other. The controls are simply about dragging shapes there they need to be to reveal the full object. Move individual puzzle pieces around to find their perfect spot by using your mouse cursor or finger. Complete the puzzle to reveal and admire the cute and majestic animal {img}. Shape Fold Animals is a unique spin on a classic jigsaw puzzle genre that makes for a lot of weird and interesting puzzles. There might even be famous animals that you'll recognize from internet memes.

Go ahead and enjoy the calming {img} of nature while giving your brain a relaxing exercise!

How to play Shape Fold Animals?

Drag your mouse cursor or finger around to assemble the puzzle pieces.
