<p>Military unit</p>

<p>Operation 40 was the code name for a Central Intelligence Agency-sponsored counterintelligence group composed of Cuban exiles.[1] The group was formed to seize control of the Cuban government after the Bay of Pigs Invasion.[2]

Operation 40 continued to operate unofficially until disbanded in 1970 due to allegations that an aircraft that was carrying cocaine and heroin in support

of the group crashed in California.[1]</p>

<p>It was approved by President Dwight D. Eisenhower in March 1960, after the January 1959 Cuban Revolution, and was presided over by Vice President

Richard Nixon.[citation needed]</p>

<p>Origins [edit]</p>

<p>On 11 December 1959, following the Cuban Revolution of January 1959, Colonel J.C. King, chief of the CIA's Western Hemisphere Division, sent a

confidential memorandum to CIA director Allen W. Dulles. King argued that

in Cuba there existed a "far-left dictatorship, which if allowed to remain

will encourage similar actions against U.S. holdings in other Latin America

n countries."[citation needed]</p>
