<p>Warfare 1917 is a fun game of strategy, tactics and war. You are a military general in 🍎 World War I and it is your duty to command your troops and lead them to victory. Before you start 🍎 each battle you can upgrade your units. During a battle, you must deploy your troops to the trenches and help 🍎 them advance across the battlefield to defeat the enemy. Your troops will only advanced when you have a certain number 🍎 of soldiers in one place.</p>

<p>Keep pressure on your enemy and keep your troops advancing. You must use a combination of 🍎 troops to advance - don't simply use one type of troops - try using everything at your disposal such as 🍎 riflemen, assault troopers and mortar troopers. Also remember to make use of your special abilities such as a mortar strike. 🍎 This game is fun but also tactical and it will really make you think about your troop deployment and options!

822; Release Date September 2008 Developer Chris Condon developed this game. Features

Many units type to be deployed</p>
