developed by Swiss company Zurich AeroPort International; Once it is fully operational, the airport will be handed over to the local authorities to operate.

Turn Key Projecto :à (franchise). In many cases, the franchisee is responsible for the initial investment and the ongoing operations. One of the most common types of business franchises is the "turnkey" franchise, which provides the franchisee with a complete business system, including the equipment, inventory, and training. This type of franchise is often used in the food and beverage industry, as well as in the retail and service sectors.
