We should note that this doesn't mean Modern Warfare III alone will take up 200GB of file storage though the basic installation for Call of Duty HQ (the central hub needed to access Modern Warfare III) will take up 200GB of file storage though

div" style="padding-bottom:12px;padding-top:0px"

Call of Duty can now take up over 200GB of space, but it's complicated

However, typically, Call of Duty Mobile requires around 2 to 3 GB

of internal storage space for installation. It's worth noting that the game's size may increase over time as updates and additional content are released.
