Ultimately, then I was definitely pleasantly surprised with "Dracula: The Original Living Vampire" and found it to be a watchable movie and entertaining enough for what it was. My rating of "Dracula: The Original Living Vampire" lands on a five out of ten stars.

A very good re-imagining of the Dracula tale, one carried by the enthusiastic performance by Luke Evans. The film's attempts to make its subject's mass murderer a heroic, tragic figure succeed only in a misapplication of style and intent.

Restricted WiFi networks are becoming more common, especially at school or work. But there is a simple hack to get unblocked games at school for free with a VPN. VPNs switch out your IP address and make you anonymous online, so the WiFi network you're connected to can't tell what site you're trying to visit.
