volving technology, have become a staple
                                            in the gaming industry. With the deb
ut of the first Batman game based on the iconic comic books in 1986,
eation marked the arrival of a new genre of games. These games, centered around
the brooding superhero, combine elements
                                              of adventure, puzzle, combat, and st
rategy. They are set in the dark, crime-ridden world of Gotham City, with famili
                 and gritty storylines.</p&gt;
