[Hellraiser](#) is a 2024 horror film directed by David Bruckner. It is the 11th installment in the Hellraiser franchise. The film stars Ashlynn Brooke as the new Cenobites, cast, bland and irritating performances (Odessa Azevedo's performance was infuriating and exhausting), slow pacing, poorly written dialogues and story; overall another disappointing Hellraiser installment. The trailer was great but the film was outrageous.

[Hellraiser](#) easily clears the admittedly low bar of being one of the best Hellraiser movies. It's the best one since Hellbound: Hellraiser II, and might even be the second best in the series after that film.
