&#128179;The AK117 has been in COD Mobile since its launch and remains &#128179;a top-tier AR choice&#128179;. It has a high rate of fire and excellent damage over range. The AK117 can take out enemies in just 3-4

shots. It does have some recoil, but the proper attachments can control this.&#128179;

&#128179;It is &#128179;effective in close to mid-range combat and can be used in longer-range as well, only if we equip the range attachments&#128179;. To rank this weapon, it has good damage and accuracy, with great weapon mobility. It is

worth mentioning, the recoil pattern of AK117 is unique.&#128179;
