Call of Duty is a popular video game series known f

or its realistic depictions of military conflicts. While the games are often ins

pired by real historical events and settings, they are not based on

specific true stories.

Most of the Western Front locations presented

in the first two Call of Duty games and the more recent Call of Duty: WWII are

quite accurate, especially France.

The names of the towns, villages

, and even the operations are well-researched (as they should be) and even recre

ated with decent attention to detail.
