Browser (desktop-only) Classification : Games Action Wiki pages : Fandom Warfare 1917 is a fun game of strategy, tactics and war. You are a military general in World War I and it is your duty to command your troops and lead them to victory. Before you start each battle you can upgrade your units. During a battle, you must deploy your troops to the trenches and help them advance across the battlefield to defeat the enemy. Your troops will only advance when you have a certain number of soldiers in one place. Keep pressure on your enemy and keep your troops advancing. You must use a combination of troops to advance - don't simply use one type of troops - try using everything at your disposal such as riflemen, assault troopers and mortar troopers. Also remember to make use of your special abilities such as a mortar strike. This game is fun but also tactical and it will really make you think about your troop deployment and options! Release Date September 2008 Developer Chris Condon developed this game. Features Many units type to be deployed You can buy upgrades as you level up
