Bomberman: story & characters!

While the plot is not the main attraction in this video game series, it does have one, as it follows Bomberman working day and night at his

bomb factory underground, from which he aims to escape by planting bombs to tear down the walls in his path, and to destroy the enemies trying to stop him too, all in order to reach the higher plane of outside, where he, a robot, can become human.

He is known as the White Bomberman, having a rival in Black Bomberman, usually used as the character in the 2-Player modes. Max is one of his most competitive friends, Dr. Ein is an eccentric scientist who helps him out, Charabon are small creatures that give the title character abilities, and Louie are animals that the main character can ride on.

Of course, the series also has baddies, in the form of Professor Bagura, the main villain in the overarching story, or The Bad Bombers, five bosses with distinctive personalities, looks, and abilities who try to stop our protagonist in recurring ways.
