&lt;p&gt;2 player games are a popular category of unblocked games at Friv. As compared to single-player games, where you compete against a PC opponent, these games can be played by two or more players and they steal the show. As you would expect, these games are often more complex and more challenging than single-player games. They are also more fun to play with friends. Some of the most popular 2 player games include: Chess, Checkers, Go, and Backgammon. Other than that, you can also play some logic games and puzzle games, if you like the cooperative mode. Some of the more complex 2 player games can also be played by a higher number of players. Some of these games include: Diplomacy, Risk, and Star Wars: Galactic Battlegrounds. Other popular 2 player games include: Angry Birds 2, Plants vs. Zombies 2, and Farm Heroes 2. Our collection of 2 player games is still growing, as we add some new games every week.
